LEWIS ROAD CLOSURES SCHEDULED

CAMARILLO—Lewis Road (Route 34) will close in both directions between Ventura Boulevard and Daily Drive, nightly, from 7 p.m. Tuesday, August 10 to 7 a.m. Friday, August 13.

The closures, to remove temporary bridge structures, are part of the Lewis Road Interchange improvement project. The project involves construction of new on-and-off-ramps at Lewis Road, which will be widened between Ventura Boulevard and Daily Drive.

The interchange reconstruction and related improvements will enable full access between the Ventura Freeway and Lewis Road, providing relief from a traffic bottleneck and allowing traffic to flow more smoothly through the area. Completion is targeted for late fall 2005.

DETOURS

Northbound Route 34 traffic to Ventura Boulevard, right on Arneill Road, right on Daily Drive.

Southbound Route 34 traffic to Daily Drive, left on Arneill Road, left on Ventura Boulevard.
